Student Health Services here on campus offers nursing physicals for students at a reduced rate. Although services at Student Health are usually offered at no charge, we do have to charge for physicals due to the time and paperwork required and due to the fact that they are not considered acute care. The physical will take approximately ½ an hour. We do offer immunizations in our office. The fees for the physical and immunizations are as follows:

- **PHYSICAL** • $50.00
- **HEP B** • $53.00
- **MMR** • $55.00
- **TDAP** • $40.00
- **TB** • $5.00

The immunizations can also be scheduled with the South Central District Health Department (734-5900).

Due to the reduced fees we do not submit to insurance companies. If you have insurance and would like to be able to submit charges for the physical and immunizations to your insurance, you will need to make an appointment with a facility that accepts insurance.

Appointments are required for the physical. The physicals are scheduled on a first come basis and we do fill up quickly so it is important that you schedule your appointment as soon as possible. You will need to bring with you a copy of your immunization record and your physical forms. If you do not bring your forms and a copy of your immunization record you will not be able to be seen and we cannot guarantee an additional appointment. We do stress the importance of keeping your appointment or giving us 24 hour advance notice if you must cancel. Again, there is no guarantee that you can be rescheduled for the physical at Student Health if you have had to be rescheduled. We will keep a waiting list for rescheduling appointments and work in what we have time available to accommodate.

We can be reached at 732-6675 to answer any questions or to schedule your appointment.

**FALL/SPRING SEMESTER HOURS**
