

# Request for AAS degree in Surgical Technology Program

---

**Major Code: 4412**

**Contact: Janet Milligan, (208) 732-6706 [jmilligan@csi.edu](mailto:jmilligan@csi.edu)**

The AAS Degree for surgical technology is for students who would like an associate degree as entry level in surgical technology or for graduates of the technical certificate program who would like to advance their education to associate level. The AAS degree carries a higher level of general education courses with emphasis on sciences.
